A great age for a first orthodontic assessment is between 7-9 years. After this, we review your child for free each year until it is the best time to start treatment.

- This identifies and corrects any developing problems if needed
- Some children benefit from early treatment
- Most children will start treatment from 12-14 years

Why choose us?

- Longest established specialist orthodontic practice on the North Shore
- Latest in orthodontic treatment and technologies
- Personalised and consistent care with your chosen orthodontist
- Variety of treatment options including traditional or clear braces, Invisalign, early treatment
- Flexible, interest-free payment plans
- Short stroll from Gordon station with easy on-site parking
- Treating children, teenagers, adults
- Free review visits each year
- No referral necessary

As proud sponsors of Gordon Football Club we extend an exclusive offer to all players and their families.
